Dated Maddur 14th Nov 1890

To,

The Deputy Commissioner

Mysore District

Sir,

With reference to your Canarese No 738 dated 31st October last, I have the honor to state that the practice of levying tax on stalls opened during the Mel Kota Jatra came into existence from 1886-87. In that year, the Amildar of the Seringapatam Taluk recommended that a small tax should be levied from stall owners and the amount realized should be credited to the Temple Funds. The then Sub Division Officer sanctioned the proposal, but however ordered that the collections should be credited to Municipal Funds for being utilized for the sanitation of the Town during the continuance of the Jatra

2. The Jatra continues for ten days and the stalls are kept open for about 5 or 6 days more About 300 stalls, the owners of which come from different parts of the Province, are opened on the

occasion

occasion, and the amount realized per year from the time the practice came into existence is noted in the margin.

3 It is customary to levy a small tax on the occasion of fairs and Jatras in several Districts of the Province; and I think it is not reasonable that the parties who derive greater benefit by the Gathering should pay for the cost of additional sanitary arrangements, which the Municipality is obliged to make. I would, therefore, request that you will be good enough to obtain formal sanction of the Government for the levying of the shop tax on the occasion, the rates of which are shewn in the accompanying statement.

4. The vernacular correspondence on the subject ending with the Yadi under reply is herewith resubmitted.
